IN RE: BANDWIDTH.COM CLEC, LLC	DOCKET NO. TF-08-21 (TCU-07-10)
---------------------------------------	------------------------------------

ORDER APPROVING TARIFF AND ISSUING CERTIFICATE

(Issued March 12, 2008)

On February 12, 2008, Bandwidth.com CLEC, LLC (Bandwidth), filed with the Utilities Board (Board) a proposed local exchange tariff providing the terms, conditions, and rates for local exchange service in Iowa in areas described in the local exchange maps of the incumbent local exchange carriers. Revisions to the proposed tariff were filed on February 28, 2008. The proposed tariff and revision have been identified as TF-08-21.

On January 14, 2008, the Board issued an order in Docket No. TCU-07-10 approving Bandwidth's application to provide service in Iowa and approving its concurrence in the maps of the incumbent local exchange carriers. The order stated that a certificate would be issued when Bandwidth obtained an approved tariff setting forth the prices, terms, and conditions of its proposed local exchange service in Iowa. Bandwidth requests the Board approve the proposed tariff and grant it a certificate to provide service in the listed exchanges.

The Board has reviewed the proposed tariff and its revisions and finds they substantially comply with Board rules for the filing and processing of tariff pages. The

tariff contains rates for both business and residential customers. Notice was provided to all affected carriers. The Board will approve the tariff effective March 13, 2008, as requested by Bandwidth, and will issue a certificate of public convenience and necessity to Bandwidth concurrent with this order.

IT IS THEREFORE ORDERED:

1. The tariff filed by Bandwidth.com CLEC, LLC, on February 12, 2008, as revised on February 28, 2008, identified as TF-08-21, is approved, effective March 13, 2008, as requested.

2. A certificate, identified as Certificate No. 0323, is being issued to Bandwidth.com CLEC, LLC, concurrently with this order.
