IN RE: UNITE PRIVATE NETWORKS, LLC	DOCKET NO. TF-08-12 (TCU-07-11)
	CERTIFICATE NO. 0324

CERTIFICATE

(Issued March 21, 2008)

On January 10, 2008, the Utilities Board (Board) issued an order in Docket No. TCU-07-11 approving the application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29, to Unite Private Networks, LLC (Unite). In the order, the Board stated that Unite would be issued a certificate when it had an approved tariff on file with the Board.

On January 22, 2008, Unite filed a proposed local exchange tariff. Revisions to the proposed tariff were filed on February 25 and March 10, 2008. The proposed tariff and its revisions, identified as TF-08-12, contain the terms, and conditions for Unite's local exchange service. An order approving the proposed tariff and issuing a certificate is being issued concurrently with this certificate. Since Unite now has an approved tariff to provide local exchange service, the Board will issue Certificate No. 0324 authorizing Unite to provide local exchange service in Iowa.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1), authorizes Unite Private Networks, LLC, to furnish local telephone service in the exchanges shown by its tariffs as currently and subsequently approved.
