**ORDER APPROVING TARIFF AND ISSUING CERTIFICATE**

(Issued March 21, 2008)

On January 22, 2008, Unite Private Networks, LLC (Unite), filed with the Utilities Board (Board) a proposed local exchange tariff providing the terms, conditions, and rates for local exchange service in Iowa in areas described in the local exchange maps of certain incumbent local exchange carriers. Revisions to the proposed tariff were filed on February 25 and March 10, 2008. The proposed tariff and revisions have been identified as TF-08-12.

On January 10, 2008, the Board issued an order in Docket No. TCU-07-11 approving Unite's application to provide service in Iowa and approving its concurrence in the maps of Qwest Corporation. The order stated that a certificate would be issued when Unite obtained an approved tariff setting forth the terms and conditions of its proposed local exchange service in Iowa. Unite requests the Board approve the proposed tariff and grant it a certificate to provide service in the listed exchanges.

The Board has reviewed the proposed tariff and its revisions and finds they substantially comply with Board rules for the filing and processing of tariff pages.

Notice was provided to all affected carriers. The Board will approve the tariff effective April 1, 2008, as requested by Unite, and will issue a certificate of public convenience and necessity to Unite concurrent with this order.

**IT IS THEREFORE ORDERED:**

1. The tariff filed by Unite Private Networks, LLC, on January 22, 2008, as revised on February 25 and March 10, 2008, identified as TF-08-12, is approved, effective April 1, 2008, as requested.

2. A certificate, identified as Certificate No. 0324, is being issued to Unite Private Networks, LLC, concurrently with this order.
