IN RE: IOWA TELECOMMUNICATIONS ASSOCIATION	DOCKET NO. TF-07-125 (TF-07-139)
--	-------------------------------------

ORDER REQUESTING ADDITIONAL INFORMATION

(Issued March 26, 2008)

The Utilities Board (Board) has reviewed the testimony and supporting workpapers and exhibits submitted by the parties in the above referenced docket in preparation for a hearing in this proceeding on April 1, 2008. Based upon that review, the Board requests additional information from the Iowa Telecommunications Association (ITA) regarding its members that also concur in the intrastate ITA Access Service Tariff No. 1 (ITA No. 1).

Specifically, some witnesses have prefiled testimony indicating that the retail local exchange rates of many local exchange carriers that concur in ITA No. 1 are below the local rates charged by other carriers in Iowa. The Board requests that ITA submit for its review a list of its members' retail rates for monthly single-line residential and business service as of January 1, 2008. The Board requests that this information be filed on or before 12 noon on March 31, 2008, so that the Board may have an opportunity to review the information prior to the hearing scheduled to begin

at 9 a.m. on April 1, 2008. ITA shall have a witness available at the hearing to answer questions regarding the additional information.

IT IS THEREFORE ORDERED:

The Board directs Iowa Telecommunications Association to submit the information requested in this order to the Board on or before 12 noon on March 31, 2008.
