IN RE: ACCESS POINT, INC.	DOCKET NOS. TCU-08-1 TF-08-22
	CERTIFICATE NO. 0325

CERTIFICATE

(Issued April 23, 2008)

On February 13, 2008, Access Point, Inc. (Access Point), filed with the Utilities Board (Board) an application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29. Also on February 13, 2008, Access Point filed a proposed local exchange tariff that contained the terms, conditions, and rates for local exchange service and listed the exchanges where Access Point intended to provide service. Revisions to the proposed tariff were filed on March 18, 2008. The proposed tariff and revisions have been identified as TF-08-22.

An order approving the application and the proposed tariff, with revisions, is being issued concurrently with this certificate. Since Access Point will have an approved tariff to provide local exchange service, the Board will issue Certificate No. 0325, authorizing Access Point to provide local exchange service in the listed exchanges.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1), authorizes Access Point, Inc., to furnish local telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.

UTILITIES BOARD
