ORDER GRANTING REQUEST FOR OFFICIAL NOTICE

(Issued May 28, 2008)

On May 21, 2008, Interstate Power and Light Company (IPL) filed "Additional Information of Interstate Power and Light Company and Request for Administrative Notice." IPL requests that the Board take official notice of an order issued by the Federal Energy Regulatory Commission (FERC) on May 14, 2008, entitled "Order Granting Application to Terminate Purchase Obligation." Alliant Energy Corporate Services, Inc., filed the FERC application on behalf of IPL and Wisconsin Power and Light Company (collectively, the Alliant Utilities). In its order, FERC terminated the obligation of the Alliant Utilities to enter into new power purchase obligations or contracts with qualifying facilities with a net capacity in excess of 20 MW on a service territory-wide basis.

IPL previously filed a copy of its FERC application with the Board, and it is appropriate to grant IPL's request for official notice of the FERC order granting the application. Iowa Code § 17A.14(4) (2007).

IT IS THEREFORE ORDERED:

The "Request for Administrative Notice" filed by Interstate Power and Light Company, on May 21, 2008, is hereby granted, and the "Order Granting Application to Terminate Purchase Obligation," issued by FERC on May 14, 2008, is hereby officially noticed.
