IN RE: CAT COMMUNICATIONS INTERNATIONAL, INC.	DOCKET NOS. TCU-02-15 TF-03-70
	CERTIFICATE NO. 0268

ORDER CANCELLING CERTIFICATE AND TERMINATING TARIFF

(Issued June 4, 2008)

On April 7, 2003, the Utilities Board (Board) issued a certificate of public convenience and necessity, identified as Certificate No. 0268, to CAT Communications International, Inc. (CAT), authorizing CAT to provide local telecommunications service in Iowa. Also on April 7, 2003, the Board approved CAT's tariff, identified as TF-03-70.

On May 19, 2008, the Board's annual report form mailed to CAT was returned to the Board, stamped as "Return to Sender, Unable to Forward." Board staff learned that CAT may no longer be in business and is not providing telecommunications service in Iowa. Board staff made several unsuccessful attempts to contact representatives of CAT by telephone to request updated corporate information and to learn CAT's plans for providing service in Iowa. CAT has not responded to any of the contact attempts.

The Board concludes that CAT is not an operational company in Iowa. Therefore, the Board will cancel CAT's certificate and terminate its tariff within 30

days from the date of this order unless the Board is contacted by CAT within that time period and provided with updated corporate information.

IT IS THEREFORE ORDERED:

CAT Communications International, Inc., must contact the Board with updated corporate information within 30 days of the date of this order. If the Board does not receive a response within 30 days, CAT Communications International, Inc.'s certificate of public convenience and necessity, Certificate No. 0268, shall be deemed canceled and CAT Communications International, Inc.'s tariff, identified as TF-03-70, shall be deemed terminated without further action by the Board.
