DEPARTMENT OF COMMERCE  
UTILITIES BOARD

IN RE:  LENOX MUNICIPAL COMMUNICATIONS UTILITY	DOCKET NO. TF-08-94 (TCU-08-3)
	CERTIFICATE NO. 0326

**CERTIFICATE**

(Issued June 25, 2008)

On May 2, 2008, the Utilities Board (Board) issued an order in Docket No. TCU-08-3 approving the application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29, to Lenox Municipal Communications Utility (Lenox). In the order, the Board stated that Lenox would be issued a certificate when it had an approved tariff on file with the Board.

On June 19, 2008, Lenox filed a proposed local exchange tariff. The proposed tariff, identified as TF-08-94, contains the terms, conditions, and rates for Lenox's local exchange service. An order approving the proposed tariff and issuing a certificate is being issued concurrently with this certificate. Since Lenox now has an approved tariff to provide local exchange service, the Board will issue Certificate No. 0326 authorizing Lenox to provide local exchange service in Iowa.

**IT IS THEREFORE ORDERED:**

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1), authorizes Lenox Municipal Communications Utility to furnish local

telephone service in the exchanges shown by its tariffs as currently and subsequently approved.
