IN RE: LENOX MUNICIPAL COMMUNICATIONS UTILITY	DOCKET NO. TF-08-94 (TCU-08-3)
---	-----------------------------------

ORDER APPROVING TARIFF AND ISSUING CERTIFICATE

(Issued June 25, 2008)

On June 19, 2008, Lenox Municipal Communications Utility (Lenox) filed with the Utilities Board (Board) a proposed local exchange tariff providing the terms, conditions, and rates for local exchange service in Iowa in areas described in the local exchange maps of the incumbent local exchange carriers. The proposed tariff has been identified as TF-08-94.

On May 2, 2008, the Board issued an order in Docket No. TCU-08-3 approving Lenox's application to provide service in Iowa and approving its concurrence in the maps of the incumbent local exchange carriers. The order stated that a certificate would be issued when Lenox obtained an approved tariff setting forth the prices, terms, and conditions of its proposed local exchange service in Iowa. Lenox requests the Board approve the proposed tariff and grant it a certificate to provide service in the listed exchanges.

The Board has reviewed the proposed tariff and finds that it substantially complies with Board rules for the filing and processing of tariff pages. The tariff

contains rates for both business and residential customers. Notice was provided to all affected carriers. The Board will approve the tariff effective the date of this order and will issue a certificate of public convenience and necessity to Lenox concurrent with this order.

IT IS THEREFORE ORDERED:

1. The tariff filed by Lenox Municipal Communications Utility on June 19, 2008, identified as TF-08-94, is approved, effective the date of this order.
2. A certificate, identified as Certificate No. 0326, is being issued to Lenox Municipal Communications Utility concurrently with this order.
