NOTICE OF CANCELLATION OF REGISTRATIONS

(Issued July 3, 2008)

In early January of 2008, the Utilities Board (Board) mailed annual report forms to each of the long distance carriers registered to provide interexchange service in Iowa, pursuant to 199 IAC 23.1(2). The forms were mailed to the carriers at the addresses on file with the Board. Responses were due in the Board's office by April 1, 2008. The carriers identified in the caption above failed to return the forms.

Board staff has attempted to contact the companies listed in the caption above through the contact information available to the Board to notify them of their failure to file the required annual report. To date, Board staff has been unsuccessful in establishing contact with these companies.

Based on this information, it appears the carriers identified in the caption above are not providing interexchange communications service in Iowa. Therefore, the Board will cancel the registration of each of the carriers identified in the caption above 30 days from the date of this order unless the Board is contacted by the carrier and provided with appropriate information indicating the carrier's registration should not be canceled. The filing should include an annual report showing that the carrier had revenues from Iowa interexchange services in calendar year 2007 or a statement that it did not have such revenues in 2007 but has reasonable plans to offer services in the near future that are likely to produce such revenues. If a carrier makes a timely filing as described above, its registration will not be canceled and will continue to be in effect until further order of the Board.

Further, any long distance carrier that continues to provide long distance services in Iowa without having filed the required annual report and without a current registration on file with the Board may be subject to civil penalties pursuant to Iowa Code §§ 476.51 or 476.103(4).

Finally, the Board will direct that a copy of this order be placed in the annual report file for each carrier listed in the caption above.

IT IS THEREFORE ORDERED:

The carriers listed in the caption of this order are directed to contact the Board with a completed annual report within 30 days of the date of this order. If the Board does not receive a response from a particular carrier within 30 days of the date of this

order, the registration for that carrier by the Board will be deemed canceled without
any further action by the Board.
