	CERTIFICATE NO. 0327

**CERTIFICATE**

(Issued July 9, 2008)

On April 25, 2008, Norlight Telecommunications, Inc. (Norlight), filed with the Utilities Board (Board) an application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29. On April 28, 2008, Norlight filed a proposed local exchange tariff that contained the terms, conditions, and rates for local exchange service and listed the exchanges where Norlight intended to provide service. The proposed tariff has been identified as TF-08-60.

An order approving the application and the proposed tariff is being issued concurrently with this certificate. Since Norlight will have an approved tariff to provide local exchange service, the Board will issue Certificate No. 0327 authorizing Norlight to provide local exchange service in the listed exchanges.

**IT IS THEREFORE ORDERED:**

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1), authorizes Norlight Telecommunications, Inc., to furnish local
