**ORDER GRANTING APPLICATION AND ISSUING CERTIFICATE**

(Issued October 1, 2008)

On September 11, 2008, MCC Iowa LLC, d/b/a Mediacom (Mediacom), filed an initial application for a certificate of franchise authority to provide cable service as a competitive cable service provider. The application includes an affidavit signed by Mediacom's Vice President of Legal Affairs affirming that Mediacom has filed or will file with the Federal Communications Commission (FCC) all forms required by the FCC before offering service in Iowa and that Mediacom agrees to comply with all applicable federal and state statutes, regulations, and rules, and with all applicable state laws and nondiscriminatory municipal ordinances and regulations regarding the use and occupation of a public right-of-way in the delivery of cable service, to the extent consistent with Iowa Code chapter 477A, including the police powers of the municipalities in which the service is delivered.

Mediacom's application includes the names and titles of its principal executive officers with direct authority over cable operations and provides customer service contact information.

In a manner consistent with Board subrule 44.3(3), Mediacom describes the service area and municipalities to be served. Specifically, Mediacom states that its cable service area includes all incorporated areas of Grundy Center, Iowa, and

Reinbeck, Iowa, now in existence and as may be annexed in the future, as listed in Exhibit A attached to the application.

Also, as required by Board subrule 44.4(2), Mediacom provided the Board with copies of letters Mediacom sent to notify affected municipalities and incumbent cable service providers of its intent to offer cable service.

As required by Board rule 44.6, Mediacom attached a filing fee of \$100 to the application.

The Board has reviewed Mediacom's application and finds it complies with the Board's rules at 199 IAC 44. The Board will grant Mediacom's application for a certificate of franchise authority to provide cable service in the service area identified in Exhibit A attached to the application. The Board will issue Mediacom a certificate of franchise authority concurrent with this order.
