ORDER SETTING BRIEFING SCHEDULE

(Issued October 17, 2008)

The hearing in this case was held on July 8, 2008. A post-hearing briefing schedule was set in an order issued August 5, 2008. At the request of Midwest Renewable Energy Projects II, LLC (MREP), the briefing schedule was suspended in an order issued August 21, 2008. On October 15, 2008, MREP filed a proposed briefing schedule with the other parties to the case, Interstate Power and Light Company and the Consumer Advocate Division of the Department of Justice. The proposed schedule is reasonable and should be adopted.

IT IS THEREFORE ORDERED:

1. Each party must file an initial post-hearing brief with the Board on or before November 5, 2008.

2. Each party must file a post-hearing reply brief with the Board on or before November 19, 2008.

3. In their post-hearing briefs, the parties must address the issues set forth in the "Order Establishing Briefing Schedule," issued August 5, 2008.
