IN RE:  IOWA JOINT UTILITY MANAGEMENT PROGRAM, INC.	DOCKET NO. SPU-08-13 (CGP-01-12)
	CERTIFICATE NO. G-0009

**CANCELLATION OF CERTIFICATE**

(Issued December 8, 2008)

On October 31, 2001, the Utilities Board (Board) issued an order approving the application of Iowa Joint Utility Management Program, Inc. (IJUMP), for a certificate as a competitive natural gas provider (CNGP) in the state of Iowa. The application was identified as Docket No. CGP-01-12. The Board also issued Certificate No. G-0009 authorizing IJUMP to provide competitive natural gas service to large and small volume customers. On November 17, 2008, IJUMP informed the Board that it had transferred all of its customers to Seminole Energy Services, Inc. (Seminole), and IJUMP requested that its certificate be cancelled. The request to cancel the CNGP certificate has been identified as Docket No. SPU-08-13.

The Board, on this same date, is issuing an order granting the request to cancel IJUMP's certificate to provide competitive natural gas service in Iowa. The Board will issue this "Cancellation of Certificate" for Certificate No. G-0009 concurrently. IJUMP will no longer be authorized to provide service as a CNGP in Iowa.

**IT IS THEREFORE ORDERED:**

The certificate to operate as a competitive natural gas provider, identified as Certificate No. G-0009, previously issued to Iowa Joint Utility Management Program, Inc., is hereby canceled.
