----------------------------------------------	------------------

**ORDER CHANGING IN-PERSON HEARING TO
HEARING BY TELEPHONE CONFERENCE CALL**

(Issued December 8, 2008)

The hearing in this case is currently scheduled to be held beginning at 1:00 p.m. on Tuesday, December 9, 2008, in the City Council Chambers, New Hampton Community Center, 112 East Spring Street, New Hampton, Iowa 50659. Only one written objection to the proposed pipeline was filed, but it was later withdrawn. Due to the severe weather forecast, the hearing will be held by telephone conference call rather than in the City Council Chambers. Parties and persons who wish to participate in the hearing by telephone conference call may dial 1-866-685-1580 at the time set for hearing, and then dial conference code number 2816326, followed by the pound key, when prompted. The undersigned administrative law judge and Utilities Board (Board) staff will be in Board Conference Room 3, 350 Maple Street, Des Moines, Iowa 50319, during the hearing. Parties and members of the public may also participate in the hearing by appearing in Conference Room 3 at the time set for hearing. Persons who have difficulty connecting to the hearing by telephone conference call may call Jennifer Ludwig at 515-281-3448 for assistance.

The Board will post a notice on its Web site informing the public of the change to hearing by telephone conference call and providing call-in information so members of the public may participate in the hearing. A staff member of New Hampton will post notice of the change in the New Hampton Community Center and will check the New Hampton City Council Chambers at the time set for hearing and inform anyone present of the call-in information for the hearing.

IT IS THEREFORE ORDERED:

The hearing in this case will be held by telephone conference call, rather than in-person in New Hampton, Iowa, as previously scheduled. Parties and persons who wish to participate in the hearing may do so by dialing the numbers set forth in the body of this order at the time set for hearing.
