IN RE: IOWA JOINT UTILITY MANAGEMENT PROGRAM, INC.	DOCKET NO. SPU-08-13 (CGP-01-12)
--	-------------------------------------

**ORDER CANCELLING COMPETITIVE
NATURAL GAS PROVIDER CERTIFICATE**

(Issued December 8, 2008)

On October 31, 2001, the Utilities Board (Board) issued an order approving the application of Iowa Joint Utility Management Program, Inc. (IJUMP), for a certificate as a competitive natural gas provider (CNGP) in the state of Iowa. The application was identified as Docket No. CGP-01-12. The Board also issued Certificate No. G-0009 that authorized IJUMP to provide service to large and small volume customers. On November 17, 2008, IJUMP informed the Board that it had transferred all of its customers to Seminole Energy Services, Inc. (Seminole), and IJUMP requested that its certificate be cancelled. The request to cancel the CNGP certificate has been identified as Docket No. SPU-08-13.

The Board will grant the request and cancel IJUMP's certificate as a CNGP in Iowa. IJUMP indicates it has complied with the requirements of 199 IAC 19.14(6)"e" and Seminole is a certificated CNGP and has a certificate to provide service to both large and small volume customers. The Board will, concurrent with this order, issue a "Cancellation of Certificate" for Certificate No. G-0009.

IT IS THEREFORE ORDERED:

The request to cancel Certificate No. G-0009 filed by Iowa Joint Utility Management Program, Inc., on November 17, 2008, is granted.
