ORDER GRANTING FRANCHISE

(Issued December 17, 2008)

On November 15, 2007, Dairyland Power Cooperative (DPC) filed a petition, identified as Docket No. E-21906, with the Utilities Board (Board) for a franchise to erect, maintain, and operate approximately .033 miles of 72,500 volt maximum voltage electric transmission line in Worth County, Iowa, pursuant to Iowa Code chapter 478 (2007). The petition is for an existing electric transmission line built in 2004 for which a franchise was never requested or granted.

DPC has met the requirements of Iowa Code chapter 478 (2007) and 199 IAC 11, and a franchise should be issued to DPC for the transmission line described in the petition.

FINDINGS OF FACT

1. No objections to the petition have been filed as provided for by Iowa Code chapter 478 (2007).
2. Notice of the petition was published as required by Iowa Code chapter 478 (2007).

3. DPC has filed an agreement to pay all costs and expenses of this franchise proceeding pursuant to Iowa Code § 478.4 (2007).

4. The transmission line is necessary to serve a public use. This conclusion is based on information provided pursuant to Iowa Code chapter 478 (2007).

5. The transmission line represents a reasonable relationship to an overall plan of transmitting electric energy in the public interest. This conclusion is based on information provided pursuant to Iowa Code chapter 478 (2007).

6. The transmission line will meet or exceed the minimum engineering requirements of the rules of the Board and will conform to the requirements of Iowa Code chapter 478 (2007).

7. DPC has not requested it be vested with the right of eminent domain.

8. The transmission line is near and parallel to roads, to railroad rights of way or along division lines of land, wherever practicable and reasonable, and so as not to unnecessarily interfere with the use of land by the occupants consistent with Iowa Code § 478.18 (2007).

CONCLUSIONS OF LAW

1. The Utilities Board has jurisdiction of the parties and subject matter pursuant to Iowa Code chapter 478 (2007).

2. The Utilities Board has authority pursuant to Iowa Code chapter 478 (2007) to grant franchises for the construction, erection, maintenance, and operation

of certain electric transmission lines outside cities in the state for the transmission, distribution, or sale of electric current within the state. Iowa Code § 478.1 (2007).

IT IS THEREFORE ORDERED:

1. The petition is granted and a franchise will be issued to Dairyland Power Cooperative to construct, erect, operate, and maintain an electric transmission line as specifically described in the franchise attached to this order and incorporated by this reference.

2. The Utilities Board retains jurisdiction of the subject matter in this docket pursuant to Iowa Code chapter 478 (2007), and may at any time during the period of the franchise make such further orders as may be necessary.
