IN RE: BROADBAND DYNAMICS, L.L.C.	DOCKET NO. TF-08-168 (TCU-08-4)
	CERTIFICATE NO. 0330

CERTIFICATE

(Issued December 19, 2008)

On May 20, 2008, the Utilities Board (Board) issued an order in Docket No. TCU-08-4 approving the application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29, to Broadband Dynamics, L.L.C. (Broadband). In the order, the Board stated that Broadband would be issued a certificate when it had an approved tariff on file with the Board.

On October 15, 2008, Broadband filed a proposed local exchange tariff. The proposed tariff, identified as TF-08-168, contains the terms and conditions for Broadband's local exchange service. An order approving the proposed tariff and issuing a certificate is being issued concurrently with this certificate. Since Broadband now has an approved tariff to provide local exchange service, the Board will issue Certificate No. 0330 authorizing Broadband to provide local exchange service in Iowa.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1), authorizes Broadband Dynamics, L.L.C., to furnish local telephone service in the exchanges shown by its tariffs as currently and subsequently approved.
