IN RE:  NEXUS COMMUNICATIONS, INC., d/b/a TSI	DOCKET NO. TF-08-201 (TCU-07-9)
	CERTIFICATE NO. 0331

**CERTIFICATE**

(Issued December 19, 2008)

On January 4, 2008, the Utilities Board (Board) issued an order in Docket No. TCU-07-9 approving the application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29, filed by Nexus Communications, Inc., d/b/a TSI (TSI). In the order, the Board stated that TSI would be issued a certificate when it had an approved tariff on file with the Board.

On November 25, 2008, TSI filed a proposed local exchange tariff. The proposed tariff, identified as TF-08-201, contains the terms and conditions for TSI's local exchange service. An order approving the proposed tariff and issuing a certificate is being issued concurrently with this certificate. Since TSI now has an approved tariff to provide local exchange service, the Board will issue Certificate No. 0331 authorizing TSI to provide local exchange service in Iowa.

**IT IS THEREFORE ORDERED:**

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1), authorizes Nexus Communications, Inc., d/b/a TSI, to furnish local

telephone service in the exchanges shown by its tariffs as currently and subsequently approved.
