ORDER APPROVING TARIFF AND ISSUING CERTIFICATE

(Issued December 19, 2008)

On October 15, 2008, Broadband Dynamics, L.L.C. (Broadband), filed with the Utilities Board (Board) a proposed local exchange tariff stating the terms and conditions for local exchange service in areas described in the local exchange maps of the incumbent local exchange carriers. The proposed tariff has been identified as TF-08-168.

On May 20, 2008, the Board issued an order in Docket No. TCU-08-4 approving Broadband's application to provide service in Iowa and approving its concurrence in the maps of the incumbent local exchange carriers. The order stated that a certificate would be issued when Broadband obtained an approved tariff setting forth the terms and conditions of its proposed local exchange service in Iowa. Broadband requests the Board approve the proposed tariff and grant it a certificate to provide service in the listed exchanges.

The Board has reviewed the proposed tariff and finds that it substantially complies with Board rules for the filing and processing of tariff pages. Notice was provided to all affected carriers. The Board will approve the tariff effective the date of

this order and will issue a certificate of public convenience and necessity to
Broadband concurrent with this order.

IT IS THEREFORE ORDERED:

1. The tariff filed by Broadband Dynamics, L.L.C., on October 15, 2008,
identified as TF-08-168, is approved, effective the date of this order.
2. A certificate, identified as Certificate No. 0330, is being issued to
Broadband Dynamics, L.L.C., concurrently with this order.
