

Iowa Utilities Board

Administration & Regulation Budget Subcommittee

2019

Mission and Vision

Mission: The Iowa Utilities Board regulates utilities to ensure that reasonably priced, reliable, environmentally responsible, and safe utility services are available to all Iowans.

Vision: The Iowa Utilities Board is valued as the regulatory expert and solutions-oriented partner in electric, natural gas, and telecommunications issues.

Iowa Utilities Board

The IUB is a quasi-judicial body that hears evidence in cases filed before it and makes decisions based on the evidence presented. The IUB is required by state statute to make decisions that balance the interests of all parties to ensure the utilities provide adequate and reliable service at reasonable prices.
