---	---

COMES NOW Respondent Iowa Utilities Board (Board), by and through its undersigned counsel, and provides this Affidavit in Regard to Contested Facts:

I, Sanel Lisinovic, do hereby state:

1. I am a Utilities Regulation Engineer 3 with the Safety and Engineering Section of the Board.
2. I have reviewed the attached summary of electric transmission franchise, natural gas transmission pipeline, and hazardous liquid pipeline permit dockets.
3. To the best of my knowledge the attached summary accurately identifies the dockets in which the Board requested landowner information be provided to the Board by the petitioner and further identifies the dockets for which the Board did not request landowner information from the petitioner.

4. To the best of my knowledge, prior to the period detailed in the attachment, the Board did not typically request that landowner information be provided to the Board by a petitioner for a franchise or permit.

Subscribed and sworn before me,
A Notary Public in and for said County
and State, this 5th day of April, 2022.

Notary Public
My commission expires on Sept. 11, 2022

Respectfully submitted,
