

STATE OF IOWA
DEPARTMENT OF COMMERCE
BEFORE THE IOWA UTILITIES BOARD

IN RE:)
) Docket No. HLP-2022-0002
WOLF CARBON SOLUTIONS LLC)

**RESISTANCE TO APPLICATION FOR CONFIDENTIAL TREATMENT AND
OPEN RECORDS REQUEST**

Comes now Sierra Club Iowa Chapter and for this Resistance to Application for Confidential Treatment, states as follows:

1. On November 21, 2022, Wolf submitted its list of landowners who received notice of the current round of informational meetings, as required by the Board's Order of October 19, 2022. The current landowner list and current round of informational meetings was required because of problems with the notice given to landowners regarding the previous informational meetings.
2. Aside from referring to a different list, Wolf's Application for Confidential Treatment is essentially identical to its Application for Confidential Treatment that was filed by Wolf on August 15, 2022. At this time, it does not appear that the Board ever ruled on that Application.
3. Sierra Club filed a Resistance to the August 15, 2022, Application for Confidential Treatment. The statements and arguments in that prior Resistance are incorporated as if fully set forth herein.
4. Sierra Club also requests, pursuant to Chapter 22 of the Iowa Code, that the Board make Wolf's current landowner list available to the public.

WHEREFORE, Sierra Club Iowa Chapter requests that the Board deny Wolf's Application for Confidential Treatment.
